BazarGoo Store Guide

Bazar Goo (bazargoo.com) — simple rules for ordering with the Telegram Mini App. This guide is completely free.

1. What is this shop?

Bazar Goo (bazargoo.com) is an online shop in Bangladesh. Here you will find electronics, home items, beauty products and everyday gadgets. All prices are shown in taka (BDT).

2. How to open the shop?

Open **@BazarGooBot** on Telegram and tap the **“Open Shop”** button. Once the Mini App opens, you will see a list of real products, prices and discounts.

3. How to order?

- Add your chosen product to the cart.
- Open the cart and fill in the checkout form — name (filled in automatically from Telegram), mobile number (tap the contact-share button or type it yourself), full address, and choose your district from the list.
- Tap **“PLACE ORDER”** and the order is sent. The bot sends a confirmation right away, and the shop will message you to confirm the order.

4. Delivery charge

The charge is set automatically by district — Dhaka (inside Dhaka) **BDT 60**, any other district (outside Dhaka) **BDT 120**.

5. Payment — Cash on Delivery

Bazar Goo accepts **Cash on Delivery** only — pay after you receive the product. No advance payment is needed.

6. First-order discount — BAZAR5

On your first order, use coupon code **BAZAR5** to get **5% off** the total product price (once, per device).

7. Contact

If you have any questions, message **@BazarGooBot** on Telegram, or visit the website: **bazargoo.com**.

> This guide was made for the BazarGoo shop. Prices and charges follow the shop's current rules — any change will appear in the app.
